HOW TO READ THE PRICE TABLES

Every product page shows the full volume ladder in one row, so you can compare tiers at a glance. Bulk raw material is priced **per 1 kg**, capsules, tablets and gummies **per 1,000 pcs**. Columns are the order volume of a single item: the further right, the lower the unit price.

FORM	1-10 KG	11-30 KG	31-50 KG	51-100 KG

MORE VOLUME → LOWER PRICE PER KG

MUSHROOMS PLANET

Production and distribution of medicinal mushroom products

Mushrooms Planet specializes in the production and distribution of products made with medicinal mushrooms, such as Red fly agaric, Cordyceps, Reishi and other healing fungi. We offer a wide range of products, from mushroom-based cosmetics to dietary supplements aimed at boosting immunity and supporting overall health.

Our products are made from high-quality mushrooms, are certified for quality, and combine traditional knowledge with modern technologies. TM **Muxomor** is the first and only trademark in Ukraine that tests its products for muscimol content and offers the world's largest assortment of Red fly agaric and mushroom-based products.

32

product lines in this price list

600–1500

kg of Red fly agaric supplied per month

5

quality and safety certifications

CERTIFICATION

DSTU ISO 22000:2019

First certified production facility in Ukraine under this standard: safety and control at every stage.

HACCP

Accredited production, the global standard for food safety.

FDA (USA)

International certification recognized at the global level.

DSTU ISO 9001

Confirmation of high-quality management.

Radioecological

Radioecological certification, TU and compliance certificates: products meet all safety standards.
